Forbidden Broadway: The Next Generation Plays Starlight Indoors March 9 - 12

Forbidden Broadway: The Next Generation performs inside Starlight's Cohen Community Stage House.

KANSAS CITY, Mo. – The Tony® Award-winning *Forbidden Broadway*, Gerard Alessandrini's hilarious musical spoof of Broadway's biggest shows and brightest stars, will perform at Starlight Indoors **March 9 - 12**. A fall-down funny, satirical roast of more than 30 Broadway hits, *Forbidden Broadway: The Next Generation* includes all-new spoofs of popular shows like *Hamilton*, *Dear Evan Hansen*, and *Moulin Rouge*.

"*Forbidden Broadway* has had a long history playing in Kansas City with one of their first productions being in 1989 at Quality Hill Playhouse downtown," Caroline Gibel, Director of Indoors Programming, said. "We are so excited to welcome *Forbidden Broadway* back once again—this time roasting a whole new generation of Broadway shows!"

Starlight presents its Indoors Series inside the Cohen Community Stage House, the same stage where Broadway and Concerts are presented during the summer. Ticket holders are seated on the stage, in the climate-controlled theatre space and are not exposed to the weather elements. Parking is free and available in the east parking lot directly across from Gate 8, the entrance to the venue.

One hour prior to curtain times, an interior lounge is open for guests to enjoy a full bar service (including show-themed cocktails), coffee service, and a selection of appetizers and desserts. Free coat check is available.

Forbidden Broadway: The Next Generation is the final show of Starlight's 2022-23 Indoors Series.
