

Missouri Development Finance Board (MDFB)

Tax Credits

Starlight is honored to offer \$3 million in Missouri Development Finance Board (MDFB) tax credits in support of our [Uniquely KC Capital Campaign](#). These tax credits provide an incredible opportunity to maximize the impact of giving while reducing Missouri state tax liability.

Who is eligible?

Individuals, estates, trusts, and corporations with Missouri tax liability are eligible with a minimum contribution of \$25,000 or more.

Contributions for Starlight's Uniquely KC Capital Campaign have been approved for up to \$6 million in contributions that provide a 50% state tax credit through MDFB. *(Example: A \$50,000 contribution earns a \$25,000 Missouri state tax credit).*

How are the tax credits realized?

Once an eligible contribution of cash or securities is made to the Missouri Development Finance Board on behalf of Starlight's Uniquely KC Capital Campaign, you will receive a certificate for a Missouri state tax credit equal to 50% of your contribution.

Tax credits can be applied to the current tax year, carried forward for up to five years, or sold/transferred to another Missouri taxpayer.

What are giving instructions?

Your contribution should be sent directly to and made payable to the Missouri Development Finance Board, accompanied by a completed [FORM 100](#). Please contact Andrew Lang at Starlight Theatre (andrew.lang@kcstarlight.com or 816.997.1129) before making a gift.
